Welcome Message

Welcome to STENOCON 2026, "Our Hat Trick:
Reliable, Responsive, Respectful; Set Up for the Win!"

As always, our convention committee has worked diligently to orchestrate a worthwhile lineup right in my backyard at the amazing Tampa Marriott Water Street. We will also be able to utilize the amenities at the JW Marriott Tampa Water Street right across the street during your stay.

As a local, I hope you're able to take some time to visit my hometown. As your tour guide, I would suggest a stroll right outside the hotel front door down to the Riverwalk or pick up a water taxi for a sunset ride up the Hillsborough River to Armature Works. Catch a trolley down to Ybor City for a glass of sangria and a 1905 salad at Florida's oldest restaurant, the Columbia, and get to know Tampa's deep cigar culture at J.C. Newman. Right in the Channelside District is the Tampa Bay History Center, the Florida Aquarium and Benchmark International Arena, home of the three-time Stanley Cup Champions Tampa Bay Lightning. Don't forget Busch Gardens Tampa Bay, less than 25 minutes from downtown.

I look forward to seeing everyone throughout the weekend and at the President's Party. Please do not hesitate to seek me out to say, "Hi!!"

Again, welcome to Tampa.

A large, stylized image of a stadium at night, filled with spectators. The stadium is illuminated by bright, white spotlights that create a dramatic, high-contrast scene. The lights are arranged in several rows, creating a sense of depth and perspective. The field is visible in the foreground, and the stands are filled with people. The overall atmosphere is one of excitement and anticipation.
